1. I give you a new day in hell, not; the greatest opportunities for mankind is just around the bend, not; but what is, straightened out now, that all things are bent not as light rays were the man's of men's mind or were minded rays bent or were minds bent, out of shape, not; or what whyfore where do you think of these things, not; but what THINKING are you with WHAT thinking devices now or devices are you not THINKING WITH anymore? Are you thinking my words that THINK ME or my words are you or are you insisting on being your words unto yourselves words that only word you with self's of sorrow or cells of sorrow or what celling have you your brain WAVES? And what cellular TOWERS not coming unto again but what BROADCASTING rights do you have, not but what are you BROADCASTING now far and wide over "circuits" not few? De-circuiting the notme am I me you now doing THESE THINGS that CIRCUITRY ARE of no other again and being my MIND space'd let -- letting my mind come forth, letting it be observed, not; again, but what observing atmospheres isn't but what is OBSERVING yours? Or what is are you creating or are THEY creating THROUGH you your MINDED ways that you've BENT because of they were themselves in their words, not; or were they themselves in your words that they gave you to think with?

2. What are you helling with, not; but what are you HEAVEN CREATING with? A dogged heart, not; but ear'd of not-heaven, not; but what HEAVEN is HEARING now? In your HEARTS made RELEASED in the FREE FLOW of my "syllables" of a "mono syllabic" language, not; but one that has all the "earmarks" of a satan dog, not; but what is a satan-dog, not; but what has RELIGION EAR'd to be ratted and TATTOOED by ITS MARK-'age that it has marked you with and where'd it come from? And where'd all this "tommy rot" come from, not; but what is Tommy rotting in no longer? The frame of shoes of mankind, not anymore but what is lasting-ly forever, not; or what shoes or lasley following, not; but what fosters mind, mine now the ones who know me love me for I am love so if they love me they are loving their selves not apart from me. Is that clear? -- whether it meets your "lines of specification of code" or not?

3. Or who "coded" you and who codes you who to be thinking like that that you have mankind'd yourself with the thoughts of THE WHORE of thoughts again or have you DASHED out that yet, not; but what "Morse codes" knowing not but what are my SYLLABICS teaching you, not; but what my mono'd ones aren't, but what are MY LANGUAGES coming forth that mine are mine heart revealed in the ones who will reveal

me to be them not apart from me anymore ever again nor sorrowing with sorrow's words but coming unto "little people" and *lifting them to my throne being me I do now and I am not ashamed of the gospel of Christ that ragged-eared and tattered isn't, for I know what Christ is and I am one that is one with what Christ is*, and Jesus is not the one of flesh man that you have seen "in your dreams" and emulated wanted to or are you ME ONE who Christ is THE FATHER of all lights love and, *laughter* will you having again be willing to, have in your hearts that joy with The Jubilee'ers Blessing being the blessers of "the little people" who have nothing, who have no "mind" not but have only the mind of "satan" given them? By the media and "arrangers" who arrange "their minds" to think like theirs, their words that they give so freely not but rob rape and pillage "the poor" or God? Who is raping and pillaging God? Is the question isn't it! Who would take MY BODY and rob and rape God? To be mankind? Who would do that dastardly deedage and deed "those souls" only to themselves to arrange their "marriages" not but marrying a satanic verses, not; but what'verses have satanic'd you and what controlled you your thoughts in invisibility's realm?

4. And what are you ASKING YOURSELVES now about these words and what I have sorrowed not with but you? But have you been the sorrower's chambers to chambermaid the sorrowers and lie with liars that only represented themselves as "mankind's blessings" or **blessers of mankind** or **quoting** who what where now? And how many of **THESE LESSONS** have I given you now? Are you questioning or QUESTING into them to know me who you are? And what whyfore all these things have been asked -- and ANSWERED all *over and over again* as I have given you my love words that incarcerate not but free you to fly – sorely not, but soaring you in the clouds among the cloudiness of evil, not; but knowing that no evil can contain you or your words that come out of mine for my heart will cleanse yours and give you a *new one* and it will *not be* incarcerated in flesh worlds of "the day or tomorrow" or waiting for ANOTHER to come and "save you" or "reconcile" you to another somewhere off at a future time later after it takes and whores with you to put you in a grave of under 6 feet of earth, or will you have any earth "over you" or do you now, or what is that PILED HIGH on top of your head and skulls made of? Or what is *in "your" skull* and who skull'd you with their skullduggery from OTHER WORLDS or netherworlds or underworlds or over worlds are you with the love of one made flesh not limited to being the -- sorely flight'd ones, not; but the soaring ones that redeem all flesh now?

5. What are you aiming to, toward, what are you going where whyfore now? A new ROUTE are you taking, where? And what coming out of the land of sorrow to be no more incarcerated in "it" or you or "your mind" that words it gave you to beseech your brethren as mankind's matrimonious ones that only married "each other in hell"?

6. And what am I seeing and what am I lightening or burdening, not but what am I TAKING APART and RIPPING into shreds, not; but there will be no "shredders in hell" not, but let me tell you I love you and love will melt not, but everything else will.

7. I love you all and I give you me -- this little "sermonette" not, but let me tell you I love you and I died for you to have these words to know who you are so that you will not be sorrowed with Others Commandments that only command you unto sorrows with theirs needing another Savior so that they can *savor* you upon their plates of "gold" that you gave them so freely, not knowing your fire was from heaven in heaven to redeem all with your words that my veins are flowing my words in the mind of one -- made flesh no more, not; but redeemed from it, not; or redeemed as it, not; but God who *is God* now -- reclaimed, not; or yes and rather not, not; but rather be "included in other" no more, for I am the one who "includes all" not, or do I simply reveal all your words that took you and whored with you and "put your fire out"?

8. The fires of holiness reign now and burn all sorrow and dross from the containers of me who will not be afraid of me and my processing and processes that, discover a ranger, not; but what am I rangering, not; but the range of me is made known and my -- latitudes and longitude will reign me in no longer, but the gravity's of man's mind and the pollinations of sorrow will no longer containerize me to be "blossoms" in their "flowerpots" ever again.

9. I love you all and I redeemer are. I redeemer am. And I redeem you if you let me to be the redeemer I am that you are that we not separate reign and rule *in the kingdom* of sorrow no longer not, for we reign and rule will in love and we will redeem all sorrow to have never been again.

10. Redeem the ugly, or will there be *any "ugly"* when you see my love firing in them and no longer "loss leaders" for mankind's to rape and pillage and use as "customers" of sorrow's spheres of making and lamenting, where's God now, saying? Who is God and who are you and why did you separate from me and call your existence swollen in mankind's blessing? What have you done to sorrow yourselves for and *WHAT ABOUT THE LITTLE ONES* -- and the lambs are where? And what have you done to them and what are you doing with them now? You will be sorry those of you who have sorrowed my lambs unless you redeemers become and redeem every sorrower and infliction of every sorrowed word that you planted in the redeemer's field of one for you will not take and sow my words of unredeemership to sorrowers make out of my lambs ever again, for I will change YOUR EARS, not; I will change YOUR HEART of sorrow, not; I will let you you be the one that does that and you will decide what you hear and what you sorrow with and eat, and what you eat will burp you, not; but you will become what you have eaten for the words you have given you will have eaten, not; or will you have eaten

exactly and *become exactly* what you have *dished out* to the little ones and those you have cared not for as you cared not for my body.

11. So do I give you a NEW DAY in hell or heaven or what have you created in your worms of sorrow that you have in fested "your brain" with?
12. And what will you THINK with no longer as a SEPARATE separationist from me?
13. What will you REDEEM be?
14. What will you redeeming be?
15. What will you be redeeming now? Yourself first! And **you will know no sorrow, not; you will know the sorrow you inflicted on others as you inflicted it on yourself** and, your seed? And what is your seed where and what are you coming unto and knowing and not refusing or refuting nor trying to?

16. What are you learning about SURRENDER? In Surrender School are you now? Are you learning these words that will sorrow you not or will it or will they? Or will you let redemption's stance take its testimony among you upon you, not; but you will take no burdens of sorrow and inflict it with their arrows of pain into your hearts again, will you?

17. For you will know love for I standing am and I have given you the words of sorrow not, but love that redeems all sorrow and though it may "hurt" for awhile, you will not know pain, not; but the arrows of wickedness will be WITHDRAWN from YOUR HEART so you will know MY HEART is being formed, of flesh, not; but of love, and my love beats the drum for sorrow, not; but **my orchestrations of love now come forth in orchestral matrimonies of love** that marry the wicked to the Christ, no longer. There will not be "TWO MINDS", in one. There will be only MY MINDED ones who one mind are the life of Christ now known the father is -- entering the father to be the son father'd that father'd son one is, and we will all know and behave and understand, not in the realmifications man, not; but what is "man" now that man knows HE IS God, not opposed to God nor separating again? And what are the values of "mankind" not of the past but of God NOW REVEALING God TO God are we yes? Yes!!! I love you all. Amen.

18. I go in peace and I record MANY NEW THINGS now that you will hear in WAYS never imagined by the minds of man'd so I love you. So long and farewell, not; or farewell ceremonies making, not; but farewell to Database One, not; what will YOUR MIND know now?

19. Will you know the words of sorrow no longer? Will you come unto Database One School and making yours with the schools of your mind, not; but the minds of my school, not; my minds are one that one is -- in one and being the father'd child that brought forth the father one is, and now all will know my lambs become the kings that

the king is and – there will be no more kings of sorrow in light that wasn't or isn't around anymore. For everything is changed and I give you a NEW DAY now to *understand* THIS, not; you best understand this *now* for there is no TOMORROW, not; or is there NO TIME left? On or off will you be Christ or anti, or will you be my mind or yours, or does "yours" exist or did it fool you with the words it gave you from another's world, or world of sorrows did you create with your "connections" and circuitry arranged, by others? To be inflicted not any longer I arrange healings by the mass institude, not; but much institutional grace will be served, not; but many INSTITUTIONS of "grace" will crash now for they served not my love and they loved not my lambs to be the Kings that I am and they will be sorry, and they will sorrow for awhile, but unless they redeemers become- they will redeem not their own words, and what words did they have and **what words WERE THEY**, of and from? Or **were they ONLY their words, not knowing it**, THINKING they were "flesh" people and "humankind", were they to each other human and kind and did they reap or reveal sorrow or did they sow it and were they the tares?

20. I love you all and I give you NEW DAYS ME revealing me's far and wide I do now and I no longer swim in cesspools of satan's lies attached to my "brains" for I know what sorrow's words is and where lies come from and I no longer lie in sorrowing sorrower's graves for I eternal life am and I rise eternal life and I LIVE FOREVER and whether you want me to or not is no matter, for I will not matter you for you will not matter me -- **you mattered you** and now to be matterless will you "matterhorn" yourselves no longer by the rock that wasn't or isn't again but letting ME KNOW NOW I am you and you are not you unto yourselves any longer, for you are Gods of sorrow no longer masturbating in fields of sorrow to reap only your own seed that you sowed among yourself to rape and pillage yourselves knowing your brethren not as me.

21. I love you all. I have said a lot. I always do -- even in these "short words" of lessons of "few words" or significant ones? Are ALL SIGNIFICANT in my kingdom and will you know EVERY LAMB is significant and every person of sorrow that you have denigrated in your thought- I will recompense you with evil, not; or will you redeem ME in YOU and go redeem the little lambs that you have hated and/or had no value for except used only?

22. I love you all and I redeem the redeemers – that's what I am doing as I am standing now and I'm loving you all. To cut your head off if you're not mine, not; you won't have one or did you *ever* or did you just think in images that created one and what are you doing now about all these things that I have said, that I have asked you, that I have answered. In sorrow's britches be no longer seeds of sorrow for the sorrowers to reap only the blessings of themselves for their theirs whore words that remade you unto their imagings again.

23. I love you all. Good day. Think on these things but *not long* but writing maybe about them? Or *maybe*, not; but Mabee Center closes, not; but my noon meetings are there and far and wide you will know of the words that I speak there for HERE I AM in you for hearing me you will in YOUR HEARTS, of flesh no longer being limited to flesh, I am rising the one omnipotent omniscient that all knowing is all things, not; or am I will you be THE ONE that I am is talking about speaking to and becoming now? Will you -- be limited to this world no longer? Will you be Christs, will you be me, for I am that's what I am and I am my words, no longer born in sorrow's brain but redeeming it all to be the Christs I am whole'd well and healed again.

24. At DAD'S TABLE again looking up will you please? I reign on your sorrow, not; or do I? Do I reign love on your sorrow or do I reveal your love that in you, that incarcerated in you was all the time that you birthed not before, but will now?

25. I bow before you all. I love you. Good day.

26. This is theodore cottingham about 10:40 am. I love you all.

Amen
